

AKSHAY SIPAI

SOFTWARE DEVELOPER

+91 9036918803 | akshaysipai11@gmail.com

SUMMARY

Dedicated Front-end Developer with 3.9 years of experience, skilled in building responsive , dynamic applications using Angular , Typescript and JavaScript. With a strong focus on clean code practices,I'm committed to delivering seamless user experience that align with both client and business needs.

TECHNICAL SKILLS

Angular 14+	Agile Software Development	HTML5
TypeScript	MicroFrontend	CSS3
JavaScript	OOPS development	SCSS
Git Version Control	RESTful API Integration	RxJs

PROFESSIONAL EXPERIENCE

Desk Nine Private Limited - Bengaluru , India
(Product Compnay)

Dec 2021 - Present

- Led a developer-driven no-code pilot project, building an end-to-end CRM and bug tracking tool with task automation, custom views, and real-time updates.
- Contributed to an employee onboarding platform, maintaining user and organization directories with a focus on data accuracy, role management, and permission control.
- Developed a productivity and collaboration suite including a meeting scheduler, Pomodoro timer, notes module, notifications, and TAT tracking to boost team efficiency.
- Built robust CSV import/export modules with custom validations, dynamic error messaging, and large data handling to streamline data operations.
- Implemented seamless cross-microfrontend communication using Module Federation, RxJS, Custom Events, and shared state services for cohesive application behavior.
- Optimized application performance, reducing code duplication by 70% and applying Angular best practices like lazy loading, signals, Web Workers, and efficient change detection.
- Automated workflows in the bug tracking system, significantly reducing manual effort and improving data accuracy and team productivity.
- Enhanced UI interactivity by implementing pagination and drag-and-drop functionality for a smooth, intuitive user experience.

EDUCATION

NMAM Institue of Technology, Nitte
